Conditions

· Accepted CAD formats: STEP, IGES, Parasolid, SolidWorks and Fusion 360. Without CAD, modelling is quoted separately.

· Assemblies with more than 30 components, or orders covering several products, receive a dedicated quote.

· Direct online ordering is available up to €700. For larger amounts we define the work in an online meeting, then send a written quote with payment online or by bank transfer: 50% on order and the balance on delivery of the master files.

· The technical check of your CAD is free before you order. If issues come up after an online purchase, work does not start until we have agreed on a solution; if there is no solution, the order is refunded in full.

· Printing of catalogues, manuals and trade show materials on quote, through Impressioni Grafiche.

· NDA on request. Final prices: VAT not applied (Italian flat-rate scheme), €2 stamp duty on the invoice where due. Price list valid until 31 December 2026.

· One revision round is included in every service.

· Lead times in working days from receipt of complete files and order confirmation.
